KRAMER PORTRAITS' THE MASTERPIECE PORTRAIT

Imagine capturing your family and loved ones in a beautiful original Kramer 'Masterpiece Portrait' that will live on through generations. A portrait that reminds us of family members or those close to our hearts at a moment in time.

An original Kramer Masterpiece is the ultimate gift of family that wraps your home in love and tradition. To add to the moment, this magical experience of creating a portrait with your family embodies the essence, uniqueness and feelings of those in your life who are the most important. The Masterpiece Portrait is the most luxurious portrait in the Kramer portfolio.

Steven Kramer's ability as a portrait artist has been influenced by his studies of the Master portrait artists of all time and celebrates beauty on all levels. Steven has an eye for capturing the likeness in appearance, personality and energy. Working with Steven to create your family portrait is a personal and memorable experience as he and his dedicated staff strive to provide an unforgettable journey from start to finish. Steven has been a professional portrait artist for over twenty years creating these unique images in his studios, then his artisans hand finish and frame your emotionally rich 'Masterpiece Portrait.'

Why should you commission an original Kramer Masterpiece Portrait? Hand finished portraits have long been the medium of choice for immortalizing your family members in a long-lasting, timeless piece which cannot be matched by other mediums. Choosing to invest in a portrait is an elegant and relevant investment that immediately becomes a cherished family heirloom. Steven's unique and skillful handling of each portrait portrays the human touch that Steven Kramer is known for throughout the U.S. and Canada. Steven has steadfast clients ranging from heads of state to celebrated sports icons as well as hundreds of notable families and business leaders who count on him to capture memories that stand the test of time.
